### 8th Grade Bottle Drive/Drop-Off

On Sunday, May 27, the eighth graders will be having a bottle drive/drop-off from 9:00 AM to 12:00 PM. There will be a trailer at the school during this time for anyone that would like to drop off bottles/cans, or the eighth graders will be around and you can donate your bottles directly. Stacy Curtis has established an account for the eighth grade class at his redemption center, so if anyone would like to donate bottles now, you can drop them off and let Stacy know the money should go to the eighth grade class.
